

Thank you to everyone for your kind patience with the schedule changes that occurred over the past couple of weeks. Although we love to see precipitation out here, the snow threw our schedules for a loop!

KSHSAA recommended that we postpone the Regional Scholars Bowl tournament to this Monday. The elementary students will meet online in the morning with their teachers while the middle and high school students will work together to ensure the smooth running of the tournament. This provides the students with important lessons in both teamwork and volunteering. This is a major undertaking and we sincerely thank the many, many of you who volunteered to assist with the many roles involved. You are excellent role models for our students!

The students were pleased to see so many supporters at the WKLL basketball tournament last week. Two board members, Mrs. Jennings and Mr. Shay, were present to cheer on our teams! Although they played gallantly, both teams struggled during their first two matches. On the third matches, magic happened!

The scoreboard from the girls' final WKLL tournament game on Saturday. They were the 42.

The scoreboard from the boys' final WKLL tournament game on Saturday. They were the 51.

Mrs. Fraley has put together a wonderful small ensemble that you may have heard sing the National Anthem at basketball games. This high school ensemble has been selected to sing the National Anthem at the state basketball championship in March!
