

We are hosting four high school basketball games between January 4 and February 8. The dates are listed in the calendar at the end of this newsletter. The students would love to see you in the crowd!

We are also hosting a regional Scholars Bowl tournament on February 3. With 14 teams in two pools, it will be less complicated than the usual 4-in-1 tournament we host, but Coach Shay will still be very busy. Thank you to everyone who has agreed to assist us with this event!

Thank you to the many of you who were able to attend the Christmas Concert!

*High school students perform during the Christmas program*

Santa Day was a wonderful surprise. With everything that has been going on the past couple of years, this event has been mothballed. We were very pleased with the number of attendees. Thank you for supporting our juniors and seniors!

*Recreation Commission drawing names for Santa Day prizes*

The Cosmosphere brought highly interactive STEM lessons to Healy on December 20. Students created and tested rockets and lunar landers. They also learned a great deal about the U.S. space program's history and its future. We look forward to working with the Cosmosphere again later this spring!

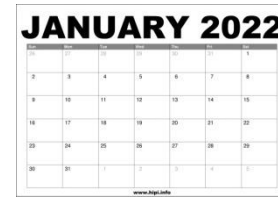

*The Cosmosphere came to Healy!*

Mrs. Roemer has kept the Student Council busy this year, collecting nonperishable items for the county food bank and planning student events. Student Council also coordinates Buddy Lunch and other internal activities.

*Student Council hosted holiday events just before Christmas*

- Tuesday, Jan. 4                    HS BB @ Healy
- Friday, Jan. 7                    HS BB @ Healy
- Tuesday, Jan. 10                JH BB @ Bazine
