

Dear Healy parents, students, and other community members,

This really is a short month for news!

Basketball practice has started for junior high. Senior high practice begins later this month. We look forward to seeing families in the crowd to support our students!

Mrs. Shay brought the annual Healy Scholars Bowl to a successful conclusion on Monday with the support of almost the entire school community as well as many community members. Thank you to everyone who helped with this remarkable and complicated amalgamation of four tournaments in one!

On November 11, we look forward to hosting our veterans in celebration of Veterans Day. The program will begin at 11:00 am, followed by lunch.

The last Friday attendance day for students is November 12. Students are released at 12:30 and teachers will work on accreditation the rest of the day.

Mrs. Honstead is gearing up for the annual Thanksgiving Feast on Tuesday, November 23, at 11:30. We look forward to seeing as many of our friends from the area as we can squeeze into the building!

Thank you so very much for your support of our students, Miss Pam, Miss Georgia, Miss Margaret, and Miss Lori. I apologize if I have inadvertently left anyone off of that list, such as Mr. Taldo, who has done such a wonderful job repairing the old bleacher seats in the elementary gym. We certainly appreciate your efforts to guarantee that our students are not forgotten!

Students who experienced busted out front teeth, snakes down students' backs, riding in a horse trailer to school, and clubbing each other with baseball bats to the point of unconsciousness. These are some of the memories of attending Jerome School that Mrs. Roemer shared with students last month when we explored Castle Rock, Missouri Flats School and the former site of Jerome, while discussing Kansas history, geography, and geology. If anyone tries to tell you about the "Good ole days," just send them to her!
